

HOME SENSE *how to*

A LIVABLE *living room*

What does your living room need to do for you?
Make arrangements to accomplish it all!

- 1 Encourage conversation by arranging seating in a circle.
- 2 Furniture doesn't have to be against a wall! Section off part of the room with a console behind a couch, plus— instant storage.
- 3 The best seats in the house are $1\frac{1}{2} - 2\frac{1}{2}$ times your screen's diagonal measurement away.
- 4 To create an instant reading nook, just add a side table, lamp, and ottoman to a comfy chair.
